Candace Perry Joins The Modesty Survey

Some of you may be familiar with the exciting ministry taking place through [PurityGirls.com](#) and [PurityGuys.com](#) — websites devoted to proving that guys and girls committed to purity of heart, mind, and body still exist. Well, behind both of these websites is founder and designer, Candace Perry.

Candace is a 25-year-old Christian champion of purity, modesty, and waiting on God's timing for romance. In 2004 she conducted a survey of 100 guys on the topic of — you guessed it — modesty. Today she is throwing her experience and influence behind TheRebelution.com's [Modesty Survey](#) to help spread the message of modesty to an even wider audience.

She will be joining the Modesty Survey Team as a consultant and help promote the survey to her audience. Please join us in welcoming Candace Perry to the team. It is an early Christmas present for all of us.
